

# Get down, get dirty, get ROWDY at the annual

## Heart Working Volunteer Day

**Saturday, April 25, 2026 | 10am-5pm**

We need your hearts and your hands for our annual Heart Working Volunteer Day at Rowdy Girl. Join us for a day of volunteer work, socializing with fellow animal advocates and awesome raffle items! Volunteers will be served a light breakfast and hearty lunch plus lots of snacks and treats. Volunteer work will include painting the Medical Treatment Facility and large-scale land clean up. We can't wait to see all of the RGS family out here together.
